NARRATIVE:

Joseph Romero has an extensive adult criminal history that began at the age of 20. His convictions include attempted robbery with weapon, battery, grand theft from person, burglary, vehicle theft, vandalism, multiple petty thefts, failure to appear, being under influence of controlled substances, forgery, possession of controlled substances, theft, false ID to a peace officer and violations of parole. He has served multiple state prison terms, the longest, a 12 year term for attempted robbery with weapon. Romero was released from state prison to the supervision of the Los Angeles County Probation Department on June 15, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in August 2014 after he absconded from post release community supervision (PRCS). Romero qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substances is defined as non-serious and non-violent under the California penal code. His prior criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
